LINK TO THE PLATFORM

eOPENGELA es una plataforma de acompañamiento en las comunidades vecinales en la rehabilitación de sus edificios. Te guiará en la rehabilitación de tu hogar, a través de un diagnóstico de tu edificio a través del cual se propondrá un Plan de rehabilitación, un Plan de acompañamiento y herramientas de financiación.

BETTER Communities: Activation and engagement tool

To activate the renovation of the residential stock, it is necessary to...

1

**Create reliable models
to improve the information
of the building stock**

2

**Define a clear strategic vision
at mid and long term
among all levels**

3

**Engage the neighbourhood
community**

To conclude...

Thank you!
